

# BOIL WATER RESCIND NOTICE

On June 22, 2019 the Texas Commission on Environmental Quality (TCEQ) required our public water system Clarksville Water system, PWS ID 194-0002 to issue a Boil Water Notice (BWN) to inform our customers that due to an interruption in service, water from our system must be boiled prior to consumption.

Our system has taken the necessary corrective actions to restore adequate pressure, disinfectant levels, and/or bacteriological quality and has provided TCEQ with testing results that indicate that the water no longer requires boiling as of June 25, 2019.

If you have any questions, contact Matt McAdoo at 903-427-3834.

If a customer wishes to reach TCEQ, they may call 512-239-4691.
